We begin our west-to-east tour of Pennsylvania traction publics with three lines which just barely entered Pennsylvania from out of state. Above: the interurban schedule from an 8/27 PENN-OHIO SYSTEM timetable, which, by that time, devoted much more space to the company's extensive bus operations.

Above: The WESTERN NEW YORK & PENNSYLVANIA TRACTION COMPANY, reorganized in 1921 as the Olean, Bradford & Salamanca Railway, connected the Southern Tier communities of Olean and Salamanca with Bradford, Pennsylvania, with another branch reaching Shinglehouse. Service lasted until 1927.

**Interurban Service—Steubenville to Beaver**  
 (Eastern Standard Time)  
 \* Daily except Sunday.
